

## Monthly Brush Pick Up:

- Brush should **NOT**:
    - Exceed six feet in length,
    - Be larger than six inches in diameter, or
    - Exceed 50 pounds in weight.
  - Brush and twigs less than 24 inches long must be:
    - Boxed,
    - Tied in bundles, or
    - In paper bags.
- THE CITY WILL **NOT** BE RESPONSIBLE FOR RAKING YARDS AFTER PICKING UP.
- Brush should be placed parallel with the roadway. Please do **NOT** place brush:
    - Between any poles, signs or guide wires
    - Under any low hanging trees or wires
    - By vehicles
  - Paper or plastic yard waste bags can **NOT** exceed 30 pounds in weight.
  - Do **NOT** put brush in the road.
  - Any trees trimmed or cut down by a contractor will **NOT** be picked up. The contractor or homeowner is responsible for the removal of any debris.
  - The city will help with brush removal after a storm.

Residents are reminded that these services are offered strictly for yard maintenance purposes. Any abuse of these services such as tree topplings, entire hedge removal, etc. resulting in large piles of brush, branches, roots and the like will not be permissible. These large piles will be left for the property owner to dispose of at his/her own expense. City Crews will **NOT** enter private property in performance of this service.
