WORKING TOGETHER IN EVERY COMMUNITY IN ILLINOIS
TO DETERMINE WHAT FAMILIES NEED TO THRIVE

We are redesigning the Early Childhood Education and Care (ECEC) system with families at the center.

Ensuring all children and families have access to the services they need requires a wide range of stakeholders — parents and families, school district officials, child care providers, Head Start leaders, early learning advocates, county and municipal officials, and the business community — working together in every community in Illinois to determine what families need to thrive, and then creating new and enhanced services in response.

Estamos rediseñando el sistema de Educación y Cuidado de la Primera Infancia (ECEC) con las familias en el centro.

Garantizar que todos los niños y las familias tengan acceso a los servicios que necesitan requerirá una amplia gama de partes interesadas— padres y familias, funcionarios del distrito escolar, proveedores de cuidado infantil, líderes de Head Start, defensores del aprendizaje temprano, funcionarios del condado y municipales y la comunidad empresarial— trabajar juntos en todas las comunidades de Illinois para determinar qué necesitan las familias para prosperar y luego crear servicios nuevos y mejorados en respuesta.
